

2020 Paxton Arms Texas Skeet Championships

Tournament Update

March 2020 Edition

Paxton Arms Becomes State Shoot Title Sponsor

We are thrilled to announce that Paxton Arms has agreed to become our title sponsor for the 2020 Championships. We cannot think of a more befitting partner for this event. Robert Paxton has been a participant in our state championships for over fifty (50) consecutive years! Additionally, both he and his wife, Mary DiGiovanni, are members of the TSSA Hall of Fame and both have garnered HOA titles at our state championships.

We encourage you to support Paxton Arms when it comes time to purchase your new Krieghoff, Kolar, or Blaser target shotgun. They can also help you with the purchase of the full line of Briley products.

Notably, Paxton Arms has been recognized as the third largest dealer, worldwide, of Krieghoff firearms. They have received this honor for two-years running. Although #3 in quantity, Paxton Arms is indisputably #1 in customer service. The undivided attention of Robert before, during, and after the sale is unmatched in the industry.

The generosity of Paxton Arms toward our state championships is unparalleled and very much appreciated. We look forward to showcasing this partnership by providing the highest quality shooting experience for each of our participants.

RAFFLE TICKETS

For the second year in a row the State Shoot Committee will be raffling a pallet (100 cases) of Remington STS 12 / 20 gauge ammunition to help support our event. Proceeds from the event will help defer the many costs associated with the tournament.

Tickets are \$40 or three for \$100. Tickets will be available at most major skeet shoots in Texas over the next several months. Please see Hunter Edmunds, Brandon Cade, Pat Byrne, Bailey Glenewinkel, Craig Cook, and Mike Gerschick.

Please plan on securing your tickets early. The tickets sold-out last year and a few people were upset that they were unable to get tickets. With the significant increase in the price of Remington ammunition, the tickets are sure to go quickly, this year.
